Here at the in - ter - sec - tion traf - fic flows free.
What, with the the cit - y traf - fic, who would have known?

'Round in a cir - cle framed with flow - ers and trees.
Might have a been saf - er trav - 'ling if we'd and have flown.

1. No stops to slow us down, like streets in town;

Optional Duet Accompaniment (Student plays one octave higher)
